Dear Seafood HACCP Stakeholder:

We are pleased to announce the official release of the Fish and Fishery Products Hazards and Controls Guidance, 4<sup>th</sup> Edition, also known as the Hazards Guide. The 4<sup>th</sup> Edition of the Hazards Guide is currently available at [www.fda.gov](http://www.fda.gov). On the FDA Guidance page, you will find a downloadable, printer friendly, PDF version of the new Hazards Guide.

In addition to the new Hazards Guide, the website offers a link to an FDA video outlining some of the significant changes in the 4<sup>th</sup> Edition as well as information about a new Seafood HACCP e-mail address ([SeafoodHACCP@fda.gov](mailto:SeafoodHACCP@fda.gov)) where constituents may send questions about the content of the new Hazards Guide. FDA hopes to compile answers to frequently asked questions and make those questions and answers available online in the near future.

You may also purchase a hard copy of the new Hazards Guide online at [www.ifasbooks.com](http://www.ifasbooks.com) or place an order through the University of Florida bookstore at the following address:

*Florida Sea Grant, IFAS-Extension Bookstore  
University of Florida,  
P.O. Box 110011  
Gainesville, FL 32611-0011  
1-800-226-1764*

FDA would like to thank each of its collaborators for their hard work and dedication in bringing the 4<sup>th</sup> Edition of the Fish and Fishery Products Hazards and Controls Guidance to fruition.

Sincerely,

Donald W. Kraemer  
Acting Deputy Director for Operations  
Center for Food Safety  
and Applied Nutrition
